PHSA provides specialized health care services to communities across British Columbia, on the territories of many distinct First Nations. We are grateful to all the First Nations who have cared for and nurtured the lands and waters around us for all time, including the x^wməθk^wəyəm (Musqueam), Skwxwú7mesh Úxwumixw (Squamish Nation), and səlílwəta? (Tsleil-Waututh Nation) on whose unceded and ancestral territory our head office is located.
